

NOTIFICATION PURSUANT TO
SECTION 6 OF DSHEA

317 '00 JUN 20 P3:42

In compliance with Section 6 of the Dietary Supplement Health Education Act (DSHEA) and Rule 21 C.F.R. 101.93, this Notification is filed by Imperimed, manufacturer of Energy Metabolism Cofactors, bearing the label of Energy Metabolism Cofactors with statements set out below:

Imperimed
Post Office Box 191
Brawley, California 92227

The text of each structure function claim for **L-carnitine, acetyl-L-carnitine, and pantothenic acid**, is as follows:

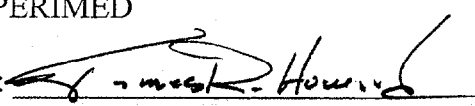

- (Statement 1) As a liquid, this scientifically formulated supplement's ingredients are quickly assimilated to aid energy production by all body organs.
- (Statement 2) L-carnitine affects energy formation from fats by heart and muscles and acetyl-L-carnitine is involved with energy metabolism in the brain, they work together with pantothenic acid which also contributes to energy formation.

I, James R. Howard, D.V.M., Ph.D., Diplomate, ACVP, President of Imperimed, am authorized to certify this Notification on behalf of the Company. I certify that the information presented and contained in this Notification is complete and accurate and that Imperimed has substantiation that each statement is truthful and not misleading.

DATED this 7th day of June, 2000.
